Summary

I'm a dedicated software developer currently serving as an intern at
GoInnovior Limited. For the past year, I have completed various
web-based projects on ReactJS and NodeJS. Seeking an
opportunity to contribute development team where I can use my
experience to create creative ideas and push business expansion.

Experience

Software Engineer Intern
Goinnovior Limited
Aug 2023 - Present (4 months)
Learning and Growth: Focus on expanding my technical skills and knowledge.
Assistance: Support the development team by tackling smaller tasks and
aiding in project execution.
Communication: Collaborate effectively with team members, seeking
guidance when needed.
Code Reviews and Feedback: Expect to participate in code reviews of my own
work and the work of others.
